

REMARKS

The Advisory Action mailed July 13, 2005, has been received and reviewed. As of the July 13, 2005 Advisory Action, Claims 1-12 and 18-32 were pending in the application and remained rejected. Applicants have amended Claims 1, 5-7 and 18 herein based on the Examiner's indication of allowable subject matter in Claims 4-6, 8 and 21. Claims 2-4, 8-17, 19-20 and 22-32 have been canceled without prejudice. As of this amendment, Claims 1, 5-7 and 18 are believed to be in condition for allowance and Applicants respectfully request reconsideration of the application as amended herein.

Allowable Subject Matter

The Examiner has indicated that Claims 4-6, 8 and 21 would be allowable if rewritten in independent form including all of the limitations of the base claim and any of intervening claims. Applicants have amended the application accordingly.

More specifically, Applicants have amended Claim 1 to include the limitations in Claim 4. Applicants have also amended Claims 5-6 to change dependency accordingly. Applicants have amended Claim 7 to include the limitations of Claim 8. Finally, Applicants have amended Claim 18 to include the limitations of Claims 20 and 21.

CONCLUSION

Claims 1, 5-7 and 18 are believed to be in condition for allowance and respectfully solicit notice thereof. Should the Examiner determine that additional issues remain which might be resolved by a telephone conference, he is respectfully invited to contact Applicants' undersigned attorney.

The Commissioner is hereby authorized to charge any additional fee or to credit any overpayment in connection with this Amendment to Deposit Account No. 50-0881.
